

**STAGE & SCREEN PRODUCTION  
ACADEMY**

Thursday, 08 January 2026

Dear Parent/Carer,

**Subject: Academy Closure – Friday 9 January 2026**

I am writing to inform you that the Academy will be closed to all students tomorrow, Friday 9th January 2026, due to the amber weather warning currently in place.

This decision has been made in advance to give families as much notice as possible and to prioritise the safety of our students and staff. As many of our students travel a significant distance to attend the Academy, we feel it is important to reduce the risks associated with hazardous weather conditions and potential travel disruption.

Although the Academy will be closed, students will be expected to continue their learning from home. Appropriate work will be set for students to complete via Microsoft Teams, and staff will provide guidance to support remote learning where possible.

We appreciate that closures can be disruptive and thank you for your understanding and cooperation. We will continue to monitor the situation closely and will provide further updates if required.

Please stay safe and thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'James Latham'.
